Financial Assistance Program for Sidewalk, Curb & Gutter Replacement

The City of Montrose wants to remind residents of two important financial assistance programs to help residents replace deteriorated sidewalks, curbs and gutters and removal, replacement, or trimming of trees in the public right-of-way (see Tree Trim Program flyer).

For information on the sidewalk, curb and gutter program, call 240-1407 or visit the city's Website at www.cityofmontrose.org

The City of Montrose is committed to helping maintain the beauty of our community. As part of this commitment, the city provides funds through the Sidewalk Replacement Assistance Program to assist residents in replacing deteriorated sidewalks, and/or curbs and gutters. The city will provide $6.00 per linear foot for the replacement of sidewalks and/or curbs and gutters. Funding is limited and assistance will be provided on a first come, first served basis.

TO BE ELIGIBLE FOR REIMBURSEMENT, APPLICATION MUST BE APPROVED BY THE CITY BEFORE WORK BEGINS .
