

Special Event Permit Information

Let us help you with a liquor license for your special event!

These policies and guidelines were established to assist your organization in planning a successful event and to assure that it is run in an efficient manner, enabling you to obtain permits for future events.

Step 1: Determine if your organization meets the criteria.

In order to qualify for a special event permit, an applicant must be a non-profit organization registered with the Colorado Secretary of State as one of the following:

- ✓ An organization that is social, fraternal, patriotic, political, or athletic nature, and not for pecuniary gain;
- ✓ A regularly chartered branch, lodge, or chapter of a national organization;
- ✓ A regularly established religious or philanthropic institution;
- ✓ A political candidate who has filed the necessary reports and statements with the Secretary of State.

A qualified non-profit organization can obtain Special Event Permits for a maximum of 15 calendar days per year.

Step 2: Complete an application.

A fully completed application must be received by the City Clerk's Office at least 30 days (preferably 60 days) before your event in order to be considered. Applications must be typewritten or printed legibly, and signed and must include:

- ✓ The completed application form.
- ✓ A completed Special Event Permit Questionnaire.
- ✓ A diagram (8 ½ x 11 inches maximum) showing where alcohol will be served and consumed and indicating entrances and exits. This diagram must show how the area will be secured for sale and consumption of alcohol. For events held outdoors, a clearly marked boundary is required. Please note that the premises may be inspected for appropriate control before and during the event by either the local or state authorities. Additional security/perimeter requirements may be required if adequate control is not demonstrated.
- ✓ A Certificate of Good Corporate Standing issued by the Secretary of State (available online at www.sos.state.co.us).
- ✓ A deed or lease of the premises in the applicant's name or written permission to use the premises.
- ✓ Political candidates must attach reports and statements filed with the Secretary of State.

Step 3: Attach license fees to the application.

Fees must be submitted to the City of Montrose with the application.

- ✓ **Fermented Malt Beverage License**
\$100.00 for a single day permit or \$100 for consecutive multiple days

OR

- ✓ **Malt, Vinous, and Spirituous Liquor License**
\$100.00 for a single day permit or \$100 for consecutive multiple days

Events involving a Special Events Permit may require the presence of police officers. If so, the City will provide a minimum of two police officers during the time alcohol is being served at a cost to the event organizer to the actual median wage of officers and sergeants. The number of officers required will be determined by the city in its sole discretion based on the nature of the event.

Step 4: Post the premises.

The City Clerk’s Office will provide a notice of application, which the applicant is required to post on the premises of the event for not less than ten (10) days. When the posting period is over, the City Clerk’s Office will consider any comments from the public before the permit is approved. A hearing before City Council may be required.

Step 5: Learn the rules and understand the liabilities.

The dispensing of alcohol beverages is a highly regulated venture and merits awareness of the laws and practices governing these beverages. Recognizing the responsibility and liability associated with serving an alcohol beverage, those responsible for selling/serving alcohol beverages should:

- ✓ ***Not serve a person who is under 21 years of age.***
Anyone appearing to be under the age of 21 years should be asked for picture identification, preferably a valid driver’s license, before being served.
- ✓ ***Not serve a person who appears to be intoxicated.***
Responsible consumption is encouraged. Event organizers should not knowingly allow guests to enter the event if obviously intoxicated or allow a guest to become intoxicated at the event.

Serving an intoxicated person is illegal and can subject the seller to both civil and criminal liability.

Those responsible for selling/serving should monitor the amount of alcohol consumed by guests and should be aware of any behavior changes that may occur as a result of drinking alcohol. Some reactions to watch for include slurred speech, poor coordination, dazed/glassy look in the eyes, aggressiveness, inability to complete sentences, swaying or drowsiness, spilling drinks or food, walking into people, inability to sit up straight, stumbling into objects, bloodshot eyes, inappropriate laughter, and inappropriate volume of speech.

It is the responsibility of the license holder for a special event to obey all state and local laws regarding the service of alcohol. The above-mentioned information is meant only as a guideline provided as a courtesy provided by the City of Montrose. It does not relieve the license holder from any responsibility of obeying all applicable liquor codes, statutes or regulations.
