The Jack Pixler Junior Golf Championship

About MJGA Youth Development Program

The MJGA is hosting a golf camp for youth golfers that will focus on the *FUNdamentals* of golf. Students will learn the basic rules of golf, proper etiquette, and the basic *FUNdamentals* of the golf swing.

Through the cooperation of all the local golf courses, each golf course will host three days of the camp at their facility. Instruction will be provided by PGA Professionals and assisted by the Montrose High School boys and girls golf teams.

At the end of camp, the annual Jack Pixler Tournament will be held for all camp participants and will be structured according to age and ability. Awards will be presented for each category and lunch will be provided afterwards.

In addition, participants will have the ability to play each course for free one time per week during the duration of camp. Each course may have restrictions when the kids can play, so please contact the pro shop to make a tee time. Parents will pay a reduced fee to play with their child or will be charged a cart fee for taking their kids on the course. The Black Canyon Golf Course is free to all youth golfers up to the age of 13.

The cost of the youth development program is \$100 per participant. For families with multiple participants, the fee will be reduced by \$15 per child.
