

TOILET REBATE INFORMATION AND PROGRAM RULES

Important: Conservation program rebates ultra-high efficiency (0.8 gpf) flush toilets @ \$50.00 and high efficiency (1.0 gpf) toilets @ \$25.00.

High efficiency toilet rebate rules:

- Toilet(s) must be purchased between January 1, 2018 and December 31, 2018.
- Rebate applications MUST be submitted within 30 days of purchase, and no later than January 15, 2019.
- Rebates are subject to City staff approval and available funding.
- Only City of Montrose water customers in good standing (account with a zero past-due balance) may apply.
- The purchased toilet must be for use at an address that receives a City of Montrose water bill. Residents of other cities and/or customers of other water providers are not eligible. A City of Montrose water account number is required.
- Rebate is limited to two toilets per residence per program cycle.
- New toilets must replace toilets older than 1994 that flush at least 3.0 gallons per flush.
- New toilet must be a qualified WaterSense® model listed with approved maximum flush volumes of 1.0 gallon per flush (gpf) or less for a \$25.00 rebate or 0.8 gpf for a \$50.00 rebate. For dual flush models, the rebate will be based on the largest flush volume.
- The City reserves the right to inspect the installation of any appliance prior to approving a rebate program submittal. Rebates can only be filed by the property owners. Contractors, tenants, or others working for a property owner cannot apply for the rebate. The homeowner is responsible for installation and no additional reimbursement is available to offset this cost.
- Rebate will be issued as a credit on the customer's city utility bill.
