

ADDENDUM #6

PROJECT: Sunset Mesa Water Tank and Pump Station Project
BID NO: 20-005
FROM: Scott Murphy
DATE: July 30, 2020

Questions and Answers

1 *Is there a file size limit for submission of the bid and work plan?*

Answer: Yes. The bids email system will require attachments to total less than 20 MB. If file size is too large for the attachments, please include all required attachments except the work plan (which is likely to be the large file that places it over the limit). The work plan may be submitted through a file share/ftp link in the body of the email. The work plan is the only required submission that may be included as a link (cloud based). ALL OTHER REQUIRED BID SUBMISSION DOCUMENTS SHALL BE INCLUDED AS DIRECT ATTACHMENTS TO THE EMAIL.
