2. What additional details are you willing to provide, if any, beyond what is stated in bid documents concerning how you will identify the winning bid?

 - a. No
4. Other than your website, where was this bid posted?
 - a. This bid was posted on the City of Montrose website and a public notice was published in the Montrose Daily Press.
5. Do you want to include the cost of the temperature monitoring system, or would our visually monitored cure logs suffice?
 - a. Yes visually monitoring will suffice.
6. Do you want Top Hats priced for service connection sealing?
 - a. Our intent is to just reinstate service lines unless there is a need for the top hats in which case we could address in a case by case basis
7. If so, what is the quantity? (Typically Top Hats would have a separate bid line item as they can be pretty expensive, depending on type and length).
 - a. See above question and answer.
8. What is the Type of Top Hat or Specification you want us to conform to?
 - a. See question #7 and answer.
9. What is the length inside the service lateral you the Top Hat to extend?
 - a. See question #7 and answer.
10. Your bid package calls for the bid documents to be hand delivered (or FedEx) to be received by September 8th. My question is – Due to COVID and the bid opening being the day after Labor Day, would Montrose be willing to allow our bid to be emailed on the 8th, followed by the original to arrive the next day? If not, I would plan to send our bid by FedEx, but would need to send by September 3rd to arrive in time. That would not be a problem, but thought I would check.
